

# Macbeth Theatre Trip: Final Arrangements

## Wednesday 11<sup>th</sup> March 2020

### a) Transport

We will be leaving school from the car park opposite school at 12:20pm, and aim to be on the coach at 12:05pm. We will meet in the hall at 11:45.

We will be leaving the theatre at 5pm and aim to arrive back at school between 6:30-7pm (traffic dependant).

**Please ensure appropriate arrangements have been made in order for students to get home safely.**

### b) Dress

Students may wear non-uniform to school that day. Please remind your child they will be representing the school and therefore should conduct themselves appropriately at all times however.

### c) Food and Money

The coach company have kindly allowed our students to eat their lunches on the coach, so please provide your child with a packed lunch (students eligible for free school meals will be provided with a packed lunch). It is our responsibility to clear any rubbish from the coach so please ensure you do not drop wrappings etc. The coach company does not allow fizzy drinks so please ensure these are not included in your lunches. There will be the opportunity to purchase drinks and snacks in the interval if students wish to but **under no circumstances should students be eating/drinking during the performance.**

### d) Behaviour

The **highest standards of behaviour** are to be expected at all times. Please remember that this is a live performance so any noise or disruption will significantly impact the performers on stage. The theatre staff have the right to take audience members out of the theatre if being disruptive in any way; there will be further consequences when back at school if this occurs.

### e) Additional Equipment

Mobile phones can be brought along so your child can contact you to arrange collection. However, the school accepts no responsibility for their loss or damage. **Under no circumstances should students be on their phones during the performance** – these will be taken off them for the duration of the show if so. They should be switched off and put into a bag/pocket.

### f) Medical

Students who are prone to travel sickness must ensure they seat themselves towards the front of the coach whilst those who take any form of medication must make the necessary arrangements before the trip and notify teachers so that any medication can be administrated safely. **If any students have special medical needs then they must ensure that they have all that they require with them**, this includes inhalers, medicines and epi-pens.
