3 5-6pm	Maths- Algebra	Geography	Science- Biology	Sociology	Break		
4 Optional							

EXAMPLE- don't forget to take breaks!

- Top tips!
1. Have a weekend day off! Be realistic.
  2. Get revision ready- get some water and healthy snacks. Take regular breaks. Revise in 20 minute blocks.
  3. Don't forget to include time for your homework!
  4. Count your weekly school revision sessions as an hour of revision.
  5. Either dedicate multiple hours to one subject or space them out.
  6. Prioritise the topics or units you find difficult first- this gives you more time to go over them.
  7. Change it up when it needs to be changed. Don't feel restricted.
