Dear Parents & Carers

Ausden Clark Bus Service – daily bus passes

From today until Christmas, Ausden Clark will be trialling a daily bus pass for students travelling from Hamilton and Thurmaston. The bus passes are available from the Ausden Clark website. <https://passes.ausdenclark.co.uk/>

You can then click on the logo for The Roundhill Academy. From here you just need to register and then you can purchase your tickets. The ticket is downloaded to your child's phone and the phone is shown to the driver which the driver then scans. Daily passes are £2.20 per journey, £4.40 return. This works out slightly more expensive than the daily cost of a monthly pass but gives you more flexibility to pick and choose which days you need and pay as you go.

Monthly passes will continue to be offered at the equivalent price of £4.00 per day payable in advance via our ParentPay system.

If you require further information please do not hesitate to contact us at office@roundhill.bepschools.org

Kind regards

A handwritten signature in blue ink, appearing to read 'Tim Marston', is placed over a light blue rectangular background.
