Year 10 bubble Tuesday 1st December 2020

Dear Parents/Carers and Students

Tomorrow we have a uniquely tight day for staffing at the school.

All of year 11 return following exams and we will have around 8 teaching staff still either isolating themselves or with a child in their household that is isolating from their own school.

A number of these staff return on Wednesday but I have taken the decision that learning will be remote for the whole year 10 cohort on Tuesday 1st December.

I wanted to notify you as soon as I could to allow for any arrangements that needed to be made.

Work will be available (including live content), via Teams and Go4Schools. This will be placed on the system this evening in readiness for tomorrow.

For those year 10 students who are **NOT** self-isolating they will return on Wednesday December 2nd at normal time.

It is no exaggeration to say that we couldn't do what we are doing without your unwavering support, it is greatly appreciated,

Tim Marston

A handwritten signature in blue ink, appearing to read 'Tim Marston', is placed over a light blue rectangular background.
