Dear Year 11 students, Parents and Carers,

Following the announcement that GCSE exams will not take place this summer in the normal way, the consultation into what replaces exams opened on Friday 15th January and lasts for two weeks. As soon as we have the decision on the way forward from the government, we will share it with you and ensure that we support everyone in Year 11 to achieve the best results they can.

You can give your opinion on the consultation and which way you and your parents feel this year's exam results should be awarded, by clicking on the link below. This will take you to the government's consultation page. Halfway down the page there is a link to 'How GCSE, AS and A Level results should be awarded for 2021' this gives the details about the government's suggestions for how the results should be awarded. If you then scroll towards the bottom of the page to the section 'Ways to Respond', you can click the 'Respond Online' link and submit your response.

In the meantime, just continue to turn up for all your online lessons, keep working hard and know that every piece of work you complete will still make a difference.

If you have any queries or need any support please contact us.

Yours sincerely
