Dear Parent/Carer

In order to support children's access to remote learning, some mobile network providers are offering increased data packages. The scheme temporarily increases data allowances for mobile phone users on certain networks. This is so that students can access remote education on their device. Data can also be used to tether a mobile phone for internet access to another device such as a laptop.

Schools can request data increases for students who do not have fixed broadband at home and cannot afford additional data for their devices. Students with access to a mobile phone on one of the following networks might be able to benefit;

- EE
- Sky Mobile
- Smarty
- Tesco Mobile
- Three
- Virgin Mobile

Each provider is offering a slightly different package of support. The details of each one is on the next page.

To make a request you will need to provide us with the number of the mobile device, the name of the account holder, the name of the network that the device is on and whether it is pay monthly or pay as you go. You will also need to confirm that you have read the privacy statement on the next page of this letter. In order to begin the process please complete the form using the link below.

[https://forms.office.com/Pages/ResponsePage.aspx?id=33\\_wzdLTyk2HVK3vxmXhiAHGkf6UgAhHtxg-ijQ4bjRUNjINVzlwVEw4QTQ1TERETFIEQUVSRUoxMS4u](https://forms.office.com/Pages/ResponsePage.aspx?id=33_wzdLTyk2HVK3vxmXhiAHGkf6UgAhHtxg-ijQ4bjRUNjINVzlwVEw4QTQ1TERETFIEQUVSRUoxMS4u)

Unfortunately, there is no guarantee that the request will be successful as providers only processing a specific number of applications. Once a network provider has provided a data increase, they will send a text message to the account holder to inform them.

If you qualify for the offer, please ensure that the form is completed by Friday 15th January. We will then confirm when we have submitted the request.

Virgin Media have also just launched an essential broadband package for existing customers who receive Universal Credit. More information can be found [here](#).

Thank you for your continued support. Please contact us if you have any questions.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'Tim Marston'.

## **Privacy Statement**

1. For the purposes of data protection, I need to let you know that the Department for Education (DfE) is running the Mobile Network Offer through schools and their trusts or local authorities.
2. If the offer is taken up by an adult account holder, the school or social care team will share the account holder's name and mobile phone details with the DfE, who will share these with the relevant mobile network operator.
3. The mobile network operator will use that information to increase the data available for the account holder's mobile device, as long as they qualify for the offer.
4. The adult account holder's personal data is only shared with their mobile network operator for the purposes of the offer. No names of children or other adults, other than adult account holder, are shared with the DfE or the mobile network operator.
5. No personal information will be shared with the DfE if you do not want to take up the offer.
6. If you want to know more about how your personal information will be used before you take up the offer, we can send that to you first.
7. If you decide to take up the offer, you'll get a text message from the Department for Education with more information about your data protection rights.
