Dear Parents & Carers

Thank you for your support over the last three weeks in helping students settle back into the routines of school life. During this time, we have taken a more relaxed approach with students in terms of basic expectations with regard to uniform.

Moving forward into the summer term we will be insisting on a return to the standards outlined in our school policy and students will be more strictly monitored and held to account, to meet these basic expectations.

I have attached a copy of expectations and this can also be found on the school website. Please note that these expectations are set by the governing body who defer the responsibility for their implementation to the Headteacher and staff of the school.

We would ask for your support in ensuring that students follow the expectations.

Yours sincerely,
