Dear Parent/Carer

Human Papillomavirus (HPV) Vaccinations for Young People (Year 8)

With regard to the HPV vaccinations, the information in our previous letter dated 27th April 2021 was incorrect.

Part 1 of the vaccinations will be taking place on Friday 2nd July 2021 and part 2 will take place during the next academic year (date to be confirmed). Apologies for any confusion caused.

If you have not already done so, please can you complete a consent form online (even if you do not give permission for your child to have the vaccinations). Full instructions of how to do this are on page 2 of the attached letter from the Leicestershire Partnership NHS Trust.

Should you have any queries, please contact the NHS in the first instance, or the school office.

Yours sincerely

Claire Edwards
Administration Officer (Medical)
