27th April 2021

Dear Parent/Carer

Teenage Booster and Meningitis ACWY Vaccinations for Young People (Year 9)

Human Papillomavirus (HPV) Vaccination (Part 2)

With regard to the vaccinations in school on Friday 7th May 2021, the previous letter dated 25th March 2021 did not make it clear that Year 9 students will receive both vaccinations on the same day.

The HPV Part 2 was postponed from the previous academic year. Consent for this vaccination would have been given ahead of students receiving HPV Part 1 during Year 8. Apologies for any confusion caused.

If you have not already done so, please can you complete a consent form online for the Teenage Booster Vaccination (even if you do not give permission for your child to have the vaccinations). Full instructions of how to do this are on page 3 of the attached letter from the Leicestershire Partnership NHS Trust. This letter is also available in Punjabi, Arabic, Gujarati, Urdu, Amharic, Somali and Polish. Please contact us if you require the letter in any of these languages.

Should you have any queries, please contact the NHS in the first instance, or the school office.

Yours sincerely

Claire Edwards
Administration Officer (Medical)
