Dear Parents & Carers

Yesterday 3 anti-vaccine campaigners came into the Main Reception at The Roundhill Academy and took video footage of members of staff which they then refused to delete. They were swiftly escorted from the site but as you can imagine, this was rather intimidating and upsetting for our staff.

To ensure that our staff and students feel safe in their working environment we are tightening our visitor procedures at both Secondary schools. If you need to visit the school please ensure that you have contacted us in advance. If you come on to the site, you will be asked to state your name and who you are here to see through a new external intercom that has been installed at reception. We will check the details of your appointment first before we allow visitors access to the school. This may mean that you are kept waiting for a few minutes whilst we check the details, however I am sure that you will understand and support the reasons behind this.

Thank you in advance for your support with this matter.

Yours sincerely

Tim Marston
