16th February 2024

Good afternoon to you all,

I can't believe I am writing this at the end of half term already.

I am very proud to be taking on the Headship role on a permanent basis and thank you for your positivity and feedback. During my short time at Roundhill I have been made to feel so welcome and I'm excited to be putting into place changes that will benefit the whole school and community. I will also schedule another Parent Forum opportunity next half term to give some feedback on what's been happening to date.

In school this week, we have had celebration assemblies with most year groups, and this was a lovely way to celebrate effort and achievement. These will now take place every half term.

The Student Leader Group also came to SLT to share their feedback about improvements they'd like to see across the school which was really considered and there were plenty of good ideas.

Parents of Year 7 students will be receiving data today about their child's progress, we have changed the format slightly to hopefully give a much more useful insight. Please do get in touch if you have any questions about this.

Next half term is very short and very busy so I will be sharing lots of updates but in the meantime, have a lovely break.

Student Leadership Group

Our Student leadership Group have been hard at work gather thoughts of all students about the improvements that they would like to see across school.

The Student Leadership Group created a survey which was shared during tutor time and gave all students the opportunity to feed back about improvements they'd like to see across the school. Students then fed this back to Mrs Teece and members of the Senior Leadership Team. This was an excellent opportunity for students to practise their presentation skills. Ideas such as; Improvements to green areas around the Year 7 playground, upgrades to the changing facilities in PE and an increase in water fountainis around school were just a few of the ideas put forward. Mrs Teece and senior leaders have taken these ideas away and will be feeding back to the Student Leadership Group in the coming weeks.
