Dear Parent/Carer of Year 5 and Year 6 pupils

We have some exciting opportunities for children in our local primary schools to come and experience one of our after school taster sessions at The Roundhill Academy.

We have 3 sessions available: - Science, Maths and English. Below are the themes for each session :

Science: Pupils will take part in 4 mini Chemistry practicals.

Maths: Pupils will work through a series of problem solving maths challenges.

English: Pupils will work on a descriptive piece about a journey through the senses.

The sessions are after school. You will need to book a place for your child by selecting the relevant link below. In the first instance, we ask that you only book your child onto 1 taster session, to allow as many students as possible the opportunity to come along to the sessions. If we do not fill the sessions, we will contact parents to see if you wish to book any further sessions.

If you would like your child to take part please select 1 session and book the session in your child's name. **The deadline for booking a session is Monday 15th April**

English Session Thursday 18th April 4pm - 5pm
