HEADTEACHER'S UPDATE

A very good afternoon to you at the end of a great week in school. On Monday we welcomed officers from the Police force who came in to talk to Year 11 about careers and apprenticeships that they offer and were very complimentary about the engagement of our students.

Our Year 10 Sociology students also had a visit from Leicester College who came to talk about Adult Nursing and Midwifery.

The absolute highlight of this week was our Year 9 Sustainability Day on Thursday. We welcomed Sarah Turner to Roundhill to talk to the students about her own sustainable business and we set the students the challenge of putting together sustainable products for a performance in the afternoon. We have included some photographs it really was a lovely atmosphere in school with staff commenting on the team work and positivity amongst the students.

Finally we were visited by Year 5 and 6 students who enjoyed an English experience after school on Thursday evening; Students became sensory detectives- collecting vocabulary as they visited different sensory station. They then created a plan and wrote a description of a forest creating some lovely work and spending time getting to know each other. This is such a lovely opportunity for them to have a taster of life at Roundhill.

Have a lovely weekend
