Staff members may need to collect and/or share personal data such as email addresses as part of the remote learning system. As long as this processing is necessary for the school's official functions, individuals won't need to give permission for this to happen.

However, staff are reminded to collect and/or share as little personal data as possible online.

4.3 Keeping devices secure

All staff members will take appropriate steps to ensure their devices remain secure. This includes, but is not limited to:

- Keeping the device password-protected – strong passwords are at least 8 characters, with a combination of upper and lower-case letters, numbers and special characters (e.g. asterisk or currency symbol)
- Ensuring the hard drive is encrypted – this means if the device is lost or stolen, no one can access the files stored on the hard drive by attaching it to a new device

- Not sharing the device among family or friends

8. Appendix A

The Roundhill Academy Live Online Lessons Student Code of Conduct

At Wreake Valley, we understand the need to continually deliver high-quality education, including during periods of remote education. We recognise the importance of maintaining high expectations in all areas of school life and ensuring all students have access to online lessons where required.

Below are our expectations for all students who participate in our Live Remote Learning classes.

- You should take part in live online lessons in an appropriate setting, e.g. a quiet space with a neutral background.
- You should be appropriately dressed for the session
- You should not record the online lessons. Where appropriate, your teacher may record their own input into the lesson and make this accessible to you at a later date
- When you first join an online lesson you should ensure your devices is on mute and your camera is not on. You should not speak during live online lessons unless you are prompted to do so or if you have a question about the lesson.
- If you have a question about the lesson you can use the Hand Up icon at the top of the Microsoft Team screen or you can message your teacher on Show my Homework after the lesson
- You must adhere to The Roundhill Academy's Behaviour Policy at all times during live online lessons, as you would during a normal school day.

Other members of the household are respectfully asked not to have a presence in the online classroom.
