- any members of centre staff who are teaching and preparing members of their family (which
  includes step-family, foster family and similar close relationships) or close friends and their
  immediate family (e.g. son/daughter) for qualifications which include internally assessed
  components/units
- any person who is connected to the development, delivery or award of qualifications by the awarding organisations and

#### maintains clear records of all instances where:

# Purpose of the policy

## **General principles**

A process is in place to collect declarations of interest from all centre staff to identify and manage any conflicts of interest.

## **Declaration process**

A Microsoft forms is created and all centre staff are required to complete this to indicate whether there are any conflicts of interest and the nature of the conflict for the exam series by a specific date, which is prior to any exam series commencing

# Managing conflicts of interest

A conflicts of interest log is maintained and any potential conflict declared by centre staff is centrally recorded on the log. The relevant awarding body / bodies is/are informed (where required by the nature of the conflict) of specific conflicts of interest / centre staff declaration before the published deadline for entries for each examination series, by identifying and following the individual awarding bodies administrative process. The agreed measures / protocols taken / put in place to mitigate any potential risk to the integrity of the qualifications affected are recorded on the log and the affected member of staff informed of these measures/protocols
